

EQUITONE [pictura]

EQUITONE [pictura] is a fibre cement facade material with an ultra matt architectural finish. Thousands of custom-matched matt project colours are available on request. The material comes in a large panel size and can be transformed into any size or shape in the workshop or on site. The material can also be perforated or printed. No matter what design options you explore, EQUITONE material is ideal for crisp detailing.

Available in 20 colours. Other colours on request, subject to minimum order quantities.
(See material sampler)
